

## Bijou Wedding Venues WEDDING DISCOTHEQUES

**Cain Manor - Notley Abbey - Silchester House**

Great Wedding Entertainment is proud to be the managers of the in-house / resident DJs for the Yours Bijou Wedding Venues.

### **Our In-House / Resident DJs**

We recommend all weddings book our resident DJs using the venues installed equipment.

Each venue has a full sound and lighting system fully installed enabling our DJs to be set up and ready to entertain in no time at all.

The equipment has been carefully installed into each room so that it blends into the venues décor in an unobtrusive way. Although these systems are simple and discreet they still create a great atmosphere for dancing

All of our DJ presenters have many years experience and cater for all tastes and ages. They are happy to play any favourite track for your first dance and we will forward a music questionnaire so that you can tell us exactly what you do and don't want played for your evening.

As might have been explained by your wedding manager, to book the In-House DJ for your evening reception using the permanently installed equipment at the venue is very easy. All you need to do is to add a "Y" in the appropriate place on your wedding planner and this will give you the costing. Once you have done this please let us know so that we can reserve one of our presenters for your evening. Everything will be confirmed with you via Email.

### **Some good reasons to book your Wedding DJ with Great Wedding Entertainment.**

1. We have over 25 years experience in supplying quality Discotheques for weddings
2. We have a selection of over thirty wedding DJs covering music from all music tastes.
3. Our full back-up facilities will give you total piece of mind.
4. You can select the music YOU want to be played; our DJs all carry extensive music libraries and are happy to play from a supplied suggestions list.

If you would prefer to have a full Mobile Disco this can also be arranged at a small extra cost. We offer three different sizes and the details can be seen on the Mobile Discos Page of our web site. If this is for you, please remember that the turn around time for your evening will be increased as these Discotheques take up to one hour to set up.

## Cain Manor

### Cain Manor 13<sup>th</sup> June 2008.

Dear Paul, We would like to comment on the entertainment supplied by your good selves on our wedding evening, as it was a major factor in making our day so incredible. The songs requested by our guests were almost all played, and you gauged well the feel for the music, which would appeal to our guests. Watching virtually everyone dancing in a somewhat hokey-cokey style to the pogues was unforgettable. Whilst you admitted that the music was somewhat cheesier than typical you delivered a variety of cheese to appeal to the softer and harder cheese tastes!! My mother-in-law found Tina's head banging most fascinating and it has been the subject matter over several cups of tea since. We would willingly allow our testimony to any advertising and will recommend you to anyone looking for a DJ. Many thanks for adding to our special day. Regards Juli and John

### Cain Manor / DJ / 22<sup>nd</sup> May 08.

Hi Paul, we really did have a day to remember! Everything was perfect at Cain Manor - I don't think there could possibly be a nicer venue in England! The entertainment you provided was absolutely perfect thank you. Many of our guests remarked on how good the music and the DJ was! We recently attended another wedding at which we will naturally and inevitably make comparisons and the service you provided was far superior to that provided there. We will certainly recommend you to others. Thanks for helping to make our day so special. Catherine and Paul.

### Cain Manor / DJ / 25<sup>th</sup> April 2008.

Graeme and I would just like to say a big thank you for the entertainment you provided for our wedding. We, and our guests had a brilliant day, which was finished off by a night full of dancing! The DJ did a fantastic job, the music choices were great and he was open to suggestions, even the silly ones! Please pass on our thanks to him. We will never forget our special day, and our guests have since said that it was the best wedding they have ever been to! Thank you very much! Sarah and Graeme.

## Notley Abbey

### Notley Abbey / DJ / 10<sup>th</sup> May 2008.

It was the best day of our lives! Notley Abbey put on a great day and our guests seemed to love it as much as we did. The music was an integral part. The DJ you provided us with was extremely good, we were very pleased indeed and would not hesitate in recommending you in the future. Please pass on our thanks to him. Kind regards, Sophie & Nick.

We thought GWE were great and played all the tunes we requested and loads of other good ones too. I know we're biased but it must have been good as the dance floor was full the whole evening, which isn't the case at all the weddings we've been to! Many thanks, Vicky.

### Notley Abbey / DJ / 22<sup>nd</sup> March 2008.

## Silchester House

### Silchester House / Pianist / 30th June 07

We just wanted to tell you how grateful we are for the amazing performance of your pianist at our wedding two weeks ago. Having Carole there made the day even more special. Carole was wonderful; all the songs she played and sang were fantastic. Thank you so much. All our guests were very impressed. Also thank her for staying a bit longer, despite having plans that evening, she is a true professional.
