They range from a four-piece Dance Band available for smaller Weddings, up to large ten piece function bands with a full brass section and sophisticated lighting systems for entertaining at larger wedding venues and Marquees.

A good band for a wedding is a must, some of the Wedding Bands allow you to influence the bands play-list and will learn a specific track for the couples first dance. Wedding Bands are made up of professional musicians with many years experience that specialise in playing a wide ranging repertoire to suite all tastes and ages. Our wedding bands all cover a wide selection of music and to help you decide what band is right for you we have Demonstration CD's, biographies and some of the bands have sound clips on our site. We can also supply full repertoire lists and further technical information if required.

A Live Band is infectious and always encourages guests to dance creating a fantastic atmosphere at any wedding. A good band will involve the crowd and make it a night you will never forget!

This is just a small selection of the bands we represent:

Function Band One have entertained at society, corporate and Royal venues all over the world, gaining a superb reputation for great music and unequalled entertainment. This Band create an exciting new fusion of live entertainment to cater for the sophistication of today's audiences by means of superb musicianship, brilliant vocals, style, glamour and State-of-the-art Technology, Sound and Lighting systems. Sensitive to the mood of each audience, their repertoire is incredible. The right sound, the right volume, the right Choice for anyone wishing for a band that does far more than play great music. In short They are the ultimate function band.

Band for a Wedding 31st August 2007 Danesfield House, Marlow.

We wanted to write personally and thank you for the amazing choice of band for our recent wedding reception. "Band One" were absolutely fantastic keeping the dance floor buzzing all night! We wanted a party atmosphere for our evening reception and they helped to provide this. Everyone we have spoken to since our return has commented on how fantastic the evening was especially the way they helped form the circle at the end for us to say our goodbyes, a very special touch!

Function Band Two brings together music, dance, lights and sound to produce one of the most exciting live entertainment acts in the UK today, performing music and dance routines guaranteed to get any audience on their feet! The Band have a proven reputation for professionalism, reliability and great value for money, presenting an exciting non-stop show of contemporary dance music from the 60's to the 00's, supported by some of the most sought after and talented top session musicians in London. With a repertoire includes music from artists such as Kool & the Gang, Stevie Wonder, Michael Jackson & The Jackson 5, James Brown, Sister Sledge and Jocelyn Brown through to more contemporary artists including material from Jamiroquai, Moloko, Robbie Williams, Ricky Martin and Kylie. The Band was featured in BBC1's documentary "The Wedding", and were also regular guests on Channel 4's Big Breakfast and Chris Evans' TFI's Friday.

Function Band Three

This Band have specifically designed their show to give you perfectly structured entertainment from start to finish, whatever the occasion. Here are some of the reasons that we think make this band a cut above the rest: Unlike most function bands, they have carefully linked the songs together musically and vocally meaning that there is never a break in the music and the energy is always kept at the highest level. The Band have FOUR hour-long sets to choose from, specially structured to provide an unbeatable selection of non-stop fantastic music to keep the party going all night. for the first set, they have chosen songs that open the party in the perfect way - with numbers that are perfect to just sit, listen to and enjoy as the night begins, or to get straight up and dance to so you can start as you mean to go on! the second set turns into disco-mania! With The Jackson 5, the Bee Gees and many, many other great artists, the dancefloor is begging to be filled with John Travolta impersonators! There are also some fantastic 80s numbers that you won't believe you haven't heard in so long. the third and fourth sets are non-stop, 100% party! The biggest songs with the loudest vocals, there won't be one number you don't know, and every classic will have you hitting the dancefloor and singing along with us. The Bands sets also vary in content to suit each event, so our song selection is always perfect for the occasion. They have different set versions for weddings - covering more famous ballads, love duets and wedding anthems.

Function Band Four is a top class 5 piece female-fronted pop function band.

Featuring outstanding vocals and world class session musicians, The Band play rock and pop classics from an extensive repertoire that includes the very latest chart hits, complete with their own sound engineer, top equipment, lighting and disco if required. Superb vocalist Nicci and the band create a unique experience with their phenomenal talent and musicianship. If you want top class entertainment, this is the band for you!

From soft soulful ballads and inspiring blues numbers to upbeat rock and pop songs, you will be gripped from beginning to end, no matter what your age or taste in music.

Special requests can be accommodated given advance warning. With its impressively full sound, you will be surprised to find that this band is just a 5 piece band comprising lead vocals, synthesizers, guitar, bass and drums. The band works as a team to create exceptionally tight and professional performances. Its five members have a world of combined experience, playing live and recording sessions around the globe, including radio, TV and theatre work and live performances at venues including Wembley Arena, the NEC Birmingham and the House of Lords. Ideal for functions, festivals, balls, weddings and parties, with their own top quality lighting equipment and PA system, the band is a self contained unit and cater for the smallest to the largest of venues. Appropriate recorded music is always played in between sets to keep your party moving and ensure your event is a 100% success.

Function Band Five have throughout the last 10 years been impressing audiences at top class venues across London and the South East with their sparkling approach to almost any style of music. Their combined experience and ability has secured them Corporate engagements, Weddings, Bar-mitzvahs, Ladies Festivals, Private Parties and other top class work for both corporate and private clients alike, and their formidable reputation has earned them many re-bookings.

This brilliant line-up fuses together superb lead vocals, harmonies and stunningly skilful musicianship to produce an act that is head and shoulders above the rest.

This Band have the ability to deliver whatever they perform to such a high standard, breathtakingly like the original, but with a sound and visual appeal which is very much their own.

They have a comprehensive and varied repertoire with music drawn from a wide musical spectrum spanning the last six decades. The band have the ability to judge an audience and through experience, provide a tailored performance to suit just about every occasion. Unlike many band demo CD's, the recordings on the Demonstration CD are truly representative of the bands live performance. They are fully self-contained with professional lighting and a state of the art percussion and PA system enabling the band to play at the required level of sound.

All electrical equipment is PAT certified and Public Liability Insurance is in place.

You can book this band with confidence and rest assured to have the "Time of your Life".

Function Band Six have established themselves as one of the top function Bands in the UK. With over seven years in existence, they have already earned themselves a reputation for being the band that's turned the function scene around. They boast a pedigree guaranteed to make every function a success. Each band member is an accomplished musician, drawing on a wealth of experience from playing in London function bands, session work and TV / Theatre appearances. With the emphasis very much on dance music this band offers a wide and varied repertoire.

Function Band Seven was formed in 1982, by band leader Keith, and is one of the most experienced and versatile bands on the professional function circuit. The variety of their repertoire and the high standard of musicianship have combined to give the band an established reputation and makes them the natural choice for any function.

The band can easily switch between fifties rock and roll, sixties pop – seventies disco - eighties rock, and current chart material.

They play everything from dance floor fillers to romantic ballads and standards; from smooth jazz to classic rock anthems! Whether you're planning a company dinner, wedding, school PTA evening, private party, summer ball or charity event, in fact any event where people enjoy dancing to live music, this band will provide top class entertainment. They are available as an all male 5 piece line up or with female vocals as a 6 piece.

I would like you to thank you and Band Seven we hired for our function on Saturday 20th October 2007. at Oakley Court Hotel, Windsor. They were perfect for our group of people and this was evident by how many people were on the dance floor.

Function Band Eight

Function Band Eight are one of the most sought after and in demand function bands working in the UK today.

An ideal band for Weddings, this band covers a superb mixture of pop, rock and soul with a wide ranging repertoire delivered with stunning vocals and breathtaking musicianship designed to get you on the dance floor and keep you there until the last song! The bands musicians have performed in prestigious venues throughout the UK, Europe, Australasia, the Far East, Russia, Canada and the USA.

Function Band Eight's many satisfied clients agree - it's the choice of music that counts. 1960s classics, 1970s disco, 1980s pop heaven and hits from the 1990s through to today are all in the mix in this dynamic professionally produced show.

Function Band Nine is a professional band familiar with the requirements of weddings, private parties, dinner dances, promotional events and company functions. With years of experience working in London's top hotels (including a residency at the Park Lane Hilton) together with prestigious venues throughout the south of England. Their extensive repertoire caters for all age groups, covering such styles as :

Standard & current pop, Hits from the 50's & 60's, Glenn Miller & Strict Tempo, Party favourites.

The Band is unique in its ability to feature the Saxophone, Flute and Trumpet within the 4-piece band. This adds an extra dimension to the sound and repertoire: the famous Saxophone solos of the 60's and Rock 'n' Roll era, Glenn Miller's Big Band Sound, modern pop ballads featuring the Saxophone and the romantic atmosphere created by the Flute. These are features that are normally only found within much larger bands.

For larger venues or that extra special occasion, they can augment up to a 6 piece band with the addition of an extra female Keyboard / Vocalist and Trombonist. Alternatively the band can also decrease in size to a trio. Whatever size of band you may decide on, you can be assured that the excellent quality of vocalists and musicians within Prestige will guarantee a successful evening enjoyed by all.

Function Band Ten

If you are looking for a professional, dynamic and fun party band for your Wedding, Party, Corporate Event or Function, then this band is the perfect choice! Featuring superb musicianship, outstanding female and male vocals with full harmonies plus excellent sound & lighting, they will have your guests dancing all night to classic pop hits from the last five decades. The band pride themselves on providing a reliable and friendly service combining experience, expertise and attention to detail. Based in the South West UK, they are a dynamic, professional band of highly accomplished, experienced musicians who are fully committed to making your event a successful night to remember. Specialising in live music entertainment for weddings, private parties and corporate events, this superb band feature outstanding lead and harmony vocals, piano, keyboards and guitar, with midi bass and drums.

With many years experience in providing wedding entertainment, they play a wide variety of pop music from the sixties to the present day suitable for a mixed age audience, so all your guests are sure to be kept dancing - from the youngest bridesmaid to your eldest relative! The Band use stage and dance floor lights to create the perfect party atmosphere, we wear smart stage attire, conduct themselves in a professional manner, and of course we make sure every song we play is a 'pop classic'. To start traditional proceedings, the band would be honoured to perform a slow love song from our repertoire for your 'first dance', or you may choose your own 'special song' on CD.

Function Band Eleven are a professional female-fronted rock/pop covers band whose extensive set list covers five decades of great music, bringing you all the classics from The Beatles to Britney. The band brings together four of South London's finest musicians, counting among their previous clients Virgin Atlantic, Deutsche Banke, the BBC, Channel 4's Popworld, CD:UK, Glaxo, Williams & Renault F1 Teams, Pfizer Pharmaceuticals and top London hotels including Grosvenor House, The Dorchester and The London Hilton. They bring a fresh and energetic sound to any wedding reception.

Function Band Thirteen

Real music played by real people with boundless energy and scintillating talent, nothing better sums up the experience. This is the rock and roll, blues and soul phenomenon which has taken the rich and famous, the media and Europe's top venues, by storm. The band tours extensively throughout the UK and abroad performing at many major Corporate Events, Award Presentations, Post Conference Parties, Charity Balls, Cabaret and Theatre Shows, Weddings as well as appearing on prime time TV. The band's versatile truly great centrepiece for any private party, proving to be a major catalyst for success.

Function Band Fourteen

Function Band Fourteen have a repertoire ranging from Ella Fitzgerald to Stevie Wonder to Michael Jackson. The Band are one of those rare bands who are equally at home performing jazz/swing classics from the 40s and 50s, soul and disco anthems, or recent chart hits.

How do they do it? Simply by being exceptionally talented musicians, who have studied hard, practised hard and honed their skills by working with a feast of top names in the world of jazz and soul

The Band is fronted by vocalist Marion J whose voice can move effortlessly from sultry dinner jazz to floor-filling dance numbers. More than just a gifted vocalist Marion is also an exceptionally hard-working entertainer who can rapidly build a close rapport with the audience. The rest of this sparkling band consists of guitar/sax/vocals, keyboards, female backing vocalist, bass and drums. The line-up can be extended to include trumpet and additional sax.

Members of the band have played with many leading Jazz musicians such as Alan Skidmore, George Shearing and Tony Coe and will have been spotted recently playing at the Queen Elizabeth Hall and the Scoop on London's South Bank as well as well known London Nightspots such as Sway in Covent Garden and the world famous Ronnie Scotts.

The repertoire includes a wide variety of Soul and Disco favourites Signed Sealed Delivered / If I cant have you / Play that Funky music etc and as they are all great Jazz Musicians they also play a wide range of Jazz vocal standards and instrumentals.
