

STEEL BANDS

Great Wedding Entertainment represents many fine Steels Bands for weddings. Perfect for the reception drinks or during the photographs, they create a fantastic relaxed summer atmosphere.

We have wedding steel bands available from Duos, & Trios up to full 10 piece line-ups.

THE STAR STEEL BAND

The Star Steel Band was founded in 1982 and have performed throughout Britain, Europe and The Mediterranean. The Band is made up individuals who come together to create really pleasant yet dynamic musical entertainment according to the requirements of the occasion. They have performed at all kinds social functions, from the local School Fetes to the Glastonbury Festival and The Notting Hill Carnival.

EUGENE'S STEEL BAND

One of the UK's premier steel bands.

This is a three-piece all acoustic band. Eugene started his professional career in Trinidad and Tobago, where his band Eugene and The Hurricanes had chart success.

The band plays lively, summery background music at Weddings, and have a repertoire that covers Caribbean music and steel versions of well known popular English tunes. As the band is acoustic, they can set up anywhere and do not require electricity, so are ideal for outdoor events.

Eugene also runs a UK version of The Hurricanes, a five-piece calypso band with steel pans, guitar, keyboard and percussion.

This band covers a wide range of music for dancing covering Soca, Calypso, Latin and Reggae.

BOB'S STEEL BAND

This is a well-established six-piece band.

As well as Caribbean, their music also covers a wide variety of styles including current music, pop chart material plus some 60's and not forgetting calypso, soca & reggae. Bob's Steel Band are suitable for many types of functions but weddings form the base of their success.

Bob's Steel Band combined experience in the past includes working with such artists as: Nancy Wilson (Nancy Wilson show Hong Kong) Morecambe & Wise (Batley Variety Club) Bob Monkhouse (Yorkshire TV), Dick Emery (Wakefield Theatre), to name but a few.
