We wanted to say a huge thank you for Sunday. We had the most magical day and this was complimented by the disco in the evening. I know our playlist had some interesting songs on it ! but you slotted them in perfectly with a great rang of other styles of music. Thank you also for allowing Paul's friend to do his thing on the mic, this was a memorable moment for us! Thank you once again for including all of the songs that you did and especially mine and my dads song at the end. Many Thanks Sarah & Paul

Wedding / Moor Hall, Cookham / Saturday 26th July 08.

Could you pass on our thanks to our DJ, Mark for providing a fantastic disco for our wedding a few weeks ago. He played some great music and consequently kept people, young and old, on the dancefloor all night. I was also pleased that he was happy to let the music do the talking. A lot of our guests have commented on how good the evening was and in particular the disco. I would have no hesitation in recommending you to people in the future.

Cain Manor / 29th June 08.

We were really pleased with the disco at our wedding. You did everything we asked and kept everyone up dancing, so keep up the good work. Thanks for your help in making it a perfect day. Michelle.

Cain Manor / String Quartet / Magician / DJ / 2nd August 2008.

Thank you so much for all your help in providing all of the entertainment at our wedding.

Dave and I were thrilled with the String Quartet. They really added a special something to our ceremony and kept all of our guests suitably entertained. We went to Hawaii on honeymoon so our guests thought it was hilarious when they played the theme to Hawaii 5-0! Perfect!

Colin the Magician did a fantastic job of keeping all of our guests entertained throughout the meal and then keeping all the children quiet after the speeches. Our guests with children were particularly impressed with him and the children had a great time.

The DJ was great. He played a good proportion of our requests and many of our guests have commented that he played their requests on the night straight away too. Our evening party had a wonderful atmosphere and he was instrumental in creating it. We had a fantastic day and it wouldn't have been the same without your help. We will be in touch when we arrange our anniversary party! Thanks a million, Natalie and Dave.

Dear Paul, We are writing to express our enormous thanks to you and the String Quartet who played such beautiful music at our wedding on 21st June 08. So many of our guests commented on what beautiful music was played both in the church and at the reception. Having always wanted a string quartet to play at our wedding, we could not have asked for a better.

Cain Manor 13th June 2008.

Dear Paul, We would like to comment on the entertainment supplied by your good selves on our wedding evening, as it was a major factor in making our day so incredible. The songs requested by our guests were almost all played, and you gauged well the feel for the music, which would appeal to our guests. Watching virtually everyone dancing in a somewhat hokey-cokey style to the pogues was unforgettable. Whilst you admitted that the music was somewhat cheesier than typical you delivered a variety of cheese to appeal to the softer and harder cheese tastes!! My mother-in-law found Tina's head banging most fascinating and it has been the subject matter over several cups of tea since. We would willingly allow our testimony to any advertising and will recommend you to anyone looking for a DJ. Many thanks for adding to our special day. Regards Juli and John
